CherryPick Black Country Networking Group at**

**Suki's Bar and Restaurant
248 Walsall Road, Darlaston, WS10 9SN**

Tuesday 19th November 2013 from 5.30 – 7.30

3 events in and CherryPick Black Country is going strong- and to celebrate we're taking the Black Country meeting back to where we launched - Suki's Bar in Darlaston. Please come and join us for a great evening networking with other like minded businesses and to learn more about how we can help you!

Cherry Pick is a networking group exclusively for businesses that work with pubs, bars, hotels, restaurants and the Licensed Trade in general. It has been running highly successfully in Birmingham and the Black Country for some time and has been formed by leading suppliers in the area.

The purpose of Cherry Pick is to bring together the **best** suppliers to bars and restaurants in the area for targeted sector networking. All businesses involved in supplying the Licensed Trade are welcome whatever they supply - food, professional services, printing, bar and kitchen equipment, fitting out or finding the perfect building for a new establishment. Indeed any business which can help the Licensed Trade. Does this sound like your Company? If so why not come along to this meeting?

The cost of the meeting is £18 payable on the door (£15 if you prepay via the website) and includes food and an initial drink. Please e-mail me in advance if you would like to attend, or use the link on the accompanying e-mail.
